Report from the Nominating Committee

The USENIX Association is governed by its Bylaws and by its Board of Directors. Elections are held every two years, and all eight Board members are elected at the same time. Four of them serve as at large and four also serve as statutory officers – President, Vice President, Treasurer, and Secretary.

Per Article 7.1 of the Bylaws of the USENIX Association, a Nominating Committee proposes a slate of board members for the membership's consideration. As a practical matter, the purpose of a Nominating Committee is to balance continuity and capability so as to ensure that the incoming Board is composed of persons shown by their actions to be both dedicated to the Association and prepared to lead it forward.

Our recommendations to you are as follows:

PRESIDENT:

Michael B. Jones, Microsoft Research

VICE PRESIDENT:

Clem Cole, Ammasso

TREASURER:

Theodore Ts'o, IBM

SECRETARY:

Alva Couch, Tufts University

AT LARGE:

Brian Noble, University of Michigan
Matt Blaze, University of Pennsylvania
Geoff Halprin, The SysAdmin Group
John Nicholson, Shaw Pittman LLP
Marshall Kirk McKusick, Author and Consultant
Jon "maddog" Hall, Linux International

We have every confidence that this slate is exactly what the Association needs. We thank the Association for this opportunity to serve in this most important of roles, but, more important, we thank the nominees for their willingness to stand for election and to serve.

Dan Geer (Chair), Consultant
Andrew Hume, AT&T Labs-Research
Aviel D. Rubin, Johns Hopkins University Information Security Institute
